Enrolment Information

For New International Students

Our Mission Statement

To provide children with the tools to become successful lifelong learners in a Catholic context

International students at Marian Catholic School - Introduction

Marian Catholic School is an Intergrated Catholic School for girls and boys aged 5 - 13 and study in years 1 - 8. Our school roll is 600 full time students.

We are dedicated to providing our international students and their families a warm and welcoming environment for the whole family.

We accept up to 20 students from around the world at all levels. Students year 1 - 6 must be accompanied by a parent.

Our Pastoral Care Worker is onsite to assist with a personal approach to help with the process of enrolling. The role of the Pastoral Care Worker is to assist parents to feel welcomed and to support them within the school and the community.

During the school year our International Families are invited to join in with many of the school's activities, and share their culture. Marian Catholic School has a cultural day every year where families get together and celebrate.

Marian Catholic School has a special character, where Catholic Spirituality and Faith are practised everyday. The students attend regular Full School Masses at the Cathedral, which is situated next to the school grounds.

Our students are instilled with a strong sense of supporting each other and contributing to the whole community through a sense of social justice and support for fellow men. They are asked to display these values on a day to day basis.

We develop a strong sense of high achievement and expectations of the individual students, so they can thrive within the well supported school and community environment.

Academic Programme

Mainstream class Marian Catholic School offers full immersion into an age related class with the opportunity to experience and interact within New Zealand culture and English language. Subjects offered in these classes as a part of National Curriculum are: Maths, English (oral, reading, listening and a variation of writing styles), Social Studies, Science, Physical Education, Health, Religious Education and the Arts.

The school is a Catholic school and Religious Education is a compulsory part of the curriculum. Students are also encouraged to participate in activities offered by the school that are of interest to them. They are given the opportunity to be part of representative school sports teams and or cultural groups.

Students will be placed in a mainstream class on the first day of attendance. Any change to the original placement into a mainstream classroom will be made, after an English language assessment has been completed. Assessment will take place after the student has been studying at the school for three weeks.

ENGLISH LANGUAGE SUPPORT

Students will receive ESOL support as considered relevant, by staff of Marian Catholic School, for the level of English language the student is recognized as having, after our assessment is completed. We have trained ESOL staff and teacher aides to support the students' learning needs.

Individual student programmes are developed to assist with student learning needs. The ESOL programme concentrates on developing skills to assist the student with becoming proficient within the mainstream classroom curriculum topics and activities, with a focus on writing, reading, listening and speaking.

There are three areas of support available to students:

- Students are withdrawn from the mainstream class to receive structured language tuition relevant to their English level. This is usually done in small groups with students of like age and ability.
- Assistance with reading and writing at the level determined by the mainstream class teacher. This will be done in small groups or one-on-one- tuition.
- Teacher support with other curriculum subjects and topics. This will be done either in the mainstream classroom or in a small group withdrawn from the class

School Uniform Requirements

The correct wearing of the Marian Catholic School uniform helps set the tone and atmosphere of the school. It gives students a sense of identity and pride in themselves and the school and promotes equality amongst all students.

Marian Catholic School requires students to:

- Wear regulation uniform according to our policy.
- Wear a regulation sunhat during Terms One and Four.
